### TESTIMONIALS FROM CLIENTS:

*“The Marina Bay Sands MICE Team has been extremely supportive and accommodating in helping the Build Eco Xpo (BEX) Asia 2014 and International Green Building Conference (IGBC) 2014 achieve their sustainable event objectives. It has been a wonderful experience working alongside the team who attended to our requests promptly and professionally. BEX Asia 2014 and IGBC 2014 saw international exhibitors, visitors, delegates and media from across the globe, and the show was an extensive project not only in terms of its audience numbers but also in terms of exhibitor showcase and set-up. The MICE team played a crucial role in facilitating logistical arrangements and proved to be an integral part of us in achieving great success at BEX Asia/IGBC 2014. Marina Bay Sands is certainly the ideal location for BEX Asia/IGBC with its comprehensive one-stop event solutions and services, including meeting our technical needs, e.g. AV equipment. Without the strong support from the team, BEX Asia/IGBC would not have achieved such great success.”*

*“Fantasia by Escriba 2014 was a world’s first and largest culinary entertainment show. It was a monumentally complex show to deliver plus we had an extremely challenging timeline to set up. The show would have been impossible to deliver without the thoroughly professional support we received from every Marina Bay Sands department involved. We look forward to putting our shows on at Marina Bay Sands again”.*
