If you find and advise Marina Bay Sands of a lower, published, available suite rate, for the same suite type and bed type, for the same dates and number of guests (the competing third-party rate) within 24 hours after making a reservation on www.marinabaysands.com, Marina Bay Sands will honor the competing rate (with same restrictions), along with your Lowest Price Guarantee upgrade to the next available upgrade level, pursuant to the Terms and Conditions set forth herein.

Multiple Night Stay

In the event of a multiple night stay, the Lowest Price Guarantee will honor the suite upgrade reward for the duration of the stay, but only if the total of the competing rate, net of all fees and taxes, is lower than the lowest rate available on www.marinabaysands.com, net of taxes and fees.

affiliation of the hotel that will provide such available suite, and (d) other specific information that may divulge the property's identity (e.g., exact property name).

Rate Limitations

Rate comparisons will be made net of any taxes, gratuities, or other fees and incidental charges. The competing rate must be both bookable and lower than the total www.marinabaysands.com rate at the time that it is verified by the Marina Bay Sands Reservations Manager.

Rate into the same currency as the rate offered on the www.marinabaysands.com website. The currency exchange rate to be applied will be based on the exchange rate at the time of making the original reservation. After converting the Competing Rate, Marina Bay Sands reserves the right to deny a claim where the Competing Rate appears lower than the www.marinabaysands.com rate if it deems that the difference between the rates is due to, but not limited to, different currency exchange rates used by the two rate providers.
