ARTISANAL CHEESES

One Piece 8 | Three Pieces 20 | Five Pieces 30

Epoussettes
A soft and very creamy French cow’s milk cheese washed in cider, with a distinctive orange color and pungent aroma.

Crottin de Chavignol
Raw goat’s milk cheese from the Loire region of France with a creamy, mild and slightly tart flavor.

Brillat-Savarin
A soft and very creamy cow’s milk cheese from the Normandy region of France, with a sweet and nutty flavor and a earthy fragrance of freshly cut mushrooms.

Stilton
A classic British cow’s milk cheese that is at once salty fruity and creamy. Its mellow essence is quite mild for what many assume will be a stinky, strong blue. Instead, it is bright and acidic, supported by lingering background flavors of cocoa powder and hazelnuts.

Cave Aged Gouda
A raw cow’s milk cheese from the Netherlands, with a rich and pungent flavor and tones of dried fruits and toasted nuts.
