Informed Play

NotifyMyPlay

As part of the Informed Play initiatives at Marina Bay Sands, a tool to assist in the management of time and/or the amount of money spent gambling has been designed and is now available to Sands Rewards Club and Paiza members. The tool allows a Sands Rewards Club or Paiza member to track their own play through time and/or money spent at play and be notified at selected intervals.

How NotifyMyPlay Works

Sands Rewards Club and Paiza members may use the tool to set budgets on time and/or spend and receive notifications at selected intervals.

The use of the tool is voluntary and highly customisable with options available for budget setting, the intervals for notification, including an SMS sent to the member's mobile phone and an interaction with a staff member if they prefer.

More Information and Registration

Please approach a Responsible Gambling Ambassador or our staff at the Sands Rewards counter.
