Nightlife Trailblazer Marquee set to fire up Southeast Asia club scene with debut at Marina Bay Sands

Marquee Singapore to anchor a new multi-concept dining and entertainment destination by TAO Group next year

Singapore (14 June 2018) – Nightlife will hit fever pitch when one of the biggest nightclub brands in the world, MARQUEE, makes its Asia debut at Marina Bay Sands. Set to be a game changer in the nightlife scene, Marquee – which sits within a new multi-concept dining and entertainment destination - is another collaborative effort between Marina Bay Sands and TAO Group, following the successful launch of LAVO Italian Restaurant & Rooftop Bar in January this year.

Offering a club experience like no other, Marquee Singapore will take up the space formerly occupied by one of the two theatres at the iconic Marina Bay Sands. Promising a fully immersive nightclub experience, Marquee Singapore will be a perfect blend of design, technology and cutting-edge sound that will span across three different floors, with dramatically high ceilings that soar 70 feet and a full-sized, eight-armed Ferris Wheel, offering unrivaled views of the nightclub for guests riding in its pods.

President and Chief Executive Officer of Marina Bay Sands, George Tanasijevich said, “Marina Bay Sands is privileged to be collaborating once again with hospitality titan TAO Group to bring in a club concept that is famed for drawing some of the biggest entertainers and DJs in the

industry. Marquee Singapore is among a series of new dining and entertainment concepts in the pipeline that will continue to set Marina Bay Sands as an unparalleled nightlife destination.”

Noah Tepperberg, Partner of TAO Group, said, “After introducing LAVO to Singapore, we are excited to unveil our next projects with Marina Bay Sands. With Marquee Singapore paving the way, this new dining and entertainment destination promises to transport guests upon arrival to a hospitality experience that will be unlike any other in Southeast Asia. This next adaption of the Marquee brand is unmatched in design and detail and will truly be one of the most outstanding nightclubs in the world.”

TAO Group founders and nightlife impresarios Noah Tepperberg, Jason Strauss, Marc Packer and Rich Wolf first established Marquee Nightclub in New York City in December 2003, subsequently followed by Marquee Nightclub & Dayclub at The Cosmopolitan in Las Vegas and Marquee Nightclub at The Star – Sydney. The Marquee brand remains the number one destination for premier music talent, featuring residencies of world-class entertainers and DJs like Kaskade, Dash Berlin, Erick Morillo, Andrew Rayel, DJ Khaled, French Montana and Travis Scott. Once again, TAO Group is set to elevate the nightlife landscape in a new market with the opening of Marquee Singapore.

The new multi-concept destination is slated to open in 2019.
