## ARTSCIENCE LATE

### BELON BY P7:1SMA

Thursday | 15 Aug | 8pm

P7:1SMA invites audiences to step into the wonderment and mystery of states of between-ness with their dance performance, *BELON*. The work explores the paradoxical nature of art, and expresses the desire to uncover the equilibrium between conventions and the contemporary.

*BELON* was first performed at *ImPulsTanz - Vienna International Dance Festival* in 2015 and has since been presented as a full-length dance production at The Substation in Singapore and NuArt Sculpture Park in Bandung. The performance will be restaged by P7:1SMA at *ArtScience Late* as a programme of *Floating Utopias*.

Free admission.

# SPECIAL EVENT: MOONGAZERS

18–20 July | Free admission

Enjoy free entry to *Floating Utopias* from 7pm–10pm (last entry at 9pm).

The Apollo 11 lunar landing on 20 July 1969 which brought humans onto the surface of the Moon for the first time has become a part of our global collective memory. Fifty years later, it continues to inspire scientists and engineers to explore space and look for ways to do the impossible.

Join us at *Moongazers* to reflect on the significance of this groundbreaking journey which has defined a century, and delve into our complex fascination with the Moon as a nocturnal object of inspiration and wonderment.

## PERFORMANCES

**In Love with the Moon by Kamini Ramachandran**

Thursday to Saturday, 18–20 July 2019 | 7:30pm

The Moon has charmed and mesmerised many hearts throughout time. In folklore and myth, the Moon is a beloved, a sweetheart and a lover. Master storyteller Kamini Ramachandran shares her favourite moon myths seated beneath Luke Jerram's vast floating sculpture of the Moon.

**Al-Qamar by -wright Assembly**

Thursday, 18 July 2019 | 8:30pm

Art collective -wright Assembly presents *Al-Qamar* (Arabic: *The Moon*), a poetry-and-sound performance inspired by Islamic astronomy, looking towards the Moon and the stars.

**Beyond the Silver Glow by nada & Kiat + Deborah Emmanuel (Syndicate.SG)**

Friday, 19 July 2019 | 8:30pm

Syndicate.SG presents a music and movement performance in response to Luke Jerram's *Museum of the Moon*, surveying the diverse cultural, scientific and spiritual relations different societies have with the Moon.

## FILM SCREENINGS

**Moon Heroes**

From 15 July 2019

At the 50<sup>th</sup> year anniversary of the Moon Landing, ArtScience Museum salutes the heroes that ventured into space and the heroes who stayed behind. Whilst astronaut Neil Armstrong undertook the legendary space mission that led him to become the first man to walk on the Moon, a special team of flight controllers in Mission Control quietly navigated, calculated and innovated to change the course of history.

## TALKS

**Taking Off: Singapore in Space**

Friday & Saturday, 19 & 20 July 2019

From astropreneurs and youth engineers to startup CEOs and advocates, hear from STEM figures who are leading the charge in Singapore's space technology industry. The two-day programme of talks sees participation by Aliena, Astropreneurs HUB, Equatorial Space Industries, IN.Genius, Satellite Research Centre - NTU, Singapore Space & Technology Association, and more.

## WORKSHOP

**Operation: Moonshot**

Saturday, 20 July 2019 | 3–5pm, 7–9pm

Create Astrolabes to gauge the stars, then craft your own mini Apollo 11 rubber rocket and shoot for the Moon with expert guidance from the passionate youth astronomers of Astronomy.sg.
